Executive Director

Welcome, and heartfelt thanks to all for gathering here to celebrate the 31st Annual Benefit Dinner of Hanul Family Alliance! Your presence tonight is a testament to the commitment you share with us in making a profound difference in numerous lives.

This evening, we are here to honor "Bridging Generations," a theme that resonates deeply with Hanul's core mission. Founded in 1987 as a Korean American Senior Center, Hanul Family Alliance has always aimed to extend its services beyond just aiding older Korean immigrants. In supporting our seniors, we inherently connect families across generations and cultures, strengthening the tapestry of our community. Our elders are the linchpins of our society, weaving together the threads of past, present, and future.

As we continue on this path of intergenerational unity, let's embrace the understanding and collaboration that are the foundation of true harmony. May Hanul Family Alliance stand as a lighthouse of hope, illuminating the ties that bind us all, transcending age and background, and nurturing a sense of belonging and collective care for the well-being of our community. We extend our deepest gratitude to everyone supporting this event.
