A Message from Hanul

Dear Friends & Sponsors,

We are thankful to arrive at the two year mark since the onset of the COVID-19 pandemic with hope and help from our incredible supporters. As the weather warms, new leaves and buds begin to grow again, the wonder of new life and renewal come to the forefront of our minds and hearts.

Throughout the pandemic, Hanul's services continued, and our organization remains comprehensive and strong. How have the struggles of navigating a worldwide pandemic impacted Hanul, and those we so passionately care for? As we continue to navigate our way through the aftermath of such a historic two years, Hanul envisions community with a renewed spirit. This year, we are proud to celebrate with you, a **Community Reimagined**.

Hanul looks to the future of our services and outreach with excitement and innovation. In keeping with our greater vision to serve the Korean and multiethnic immigrant community, we look to expand services and space to include Adult Day Services and a broadened scope of mental and behavioral health care. Reimagining our community illuminates intergenerational relationships, hope for the future, and healing for all people.
